FELLOWSHIP
HI-CREST

Children's Wellness Policy

In an attempt to prevent the spread of illness, in the past 72 hours, has your child displayed any symptoms of illness, including the following:

- Fever
- Cough
- Shortness of Breath
- Sore Throat
- Runny Nose
- Vomiting or Diarrhea
- Rash
- Severe Headache
- Any other flu-like symptoms

If so, please do not have your children attend any of Fellowship Hi-Crest's Children's Ministry Programs. If they exhibit any symptoms while in our Children's Ministry Programs, parent(s) will be alerted and must pick up their children immediately. Children showing illness will be removed from activities and separated from other children as they wait for their parent(s).
